Giving?*

When you go away from home, the hydro, water, and heat still work in your house.

When you are away from church, ministry still continues.

Just as bill paying and paycheque transactions have become easier through pre-authorised withdrawal and automatic deposit, so we want to make it simpler for you to support our ministries even when you are not here...

It's Convenient

Pre-authorised giving is a semi-monthly or monthly giving option available to you at no charge. It eliminates the need for you to write a cheque each week or each month for your regular donation to your church.

It's Assured

If you are away on holidays, out of town on business, or ill, your offering will be made, ensuring the continued ministry of the church.

Here's What to Do

- Whatever you now give weekly, monthly, quarterly, or annually, simply convert to a semi-monthly or monthly amount.
- Fill in the form with this brochure and enclose it with a cheque marked "VOID" in the envelope provided and place it on the offering plate, or give it to one of the church wardens, or hand it into the office.
- Your offering will be deducted from your bank account in the same way you honour many of your other commitments in life.
- This program can be tailored to how you wish to give. Be sure to indicate on the enclosed form how you wish your donation to be directed. You can still make special donations to Flowers in Memory of a loved one, PWRDF, etc. by contributing through the offering plate.

What about Records?

Offerings are recorded automatically and individually on your monthly bank statement or passbook. These offerings are recorded at the Parish and included on your annual tax receipt.

If Your Circumstances Change

At any time, the amount of your offering can be changed. Simply notify the Office Administrator of the change. If the banking information has changed please provide a new "VOID" cheque.

For more information

If you would like more information about the advantages of pre-authorised giving, please speak to the Office Administrator.
